March 2010

Hello JAMmers!

Can you believe it, JAMmers? Spring is just around the corner, and before you know it school will be out for summer vacation! **SPRING** is how God teaches us about **RESURRECTION**. God brings new life back to an earth that has looked cold and dead all winter. The trees come to life with new green leaves and beautiful flowers pop up through the muddy ground. God shows us that everyone who trusts in Jesus will receive a **RESURRECTED** body — brand new, healthy, beautiful, and sinless — someday in Heaven. That will be a **SPRING** better than any spring on earth!

Resurrection Rolls Recipe

Each item represents how Jesus' body was prepared for burial.

1. Open a can of crescent rolls and separate into triangles. **The rolls represent the linen wrapping used in covering the dead.**
2. Dip and roll one marshmallow (**representing Jesus' body**) into melted butter **The butter represents the oils used in anointing the dead body.**
3. Roll the marshmallow in a mixture of sugar and cinnamon. **The mixture represents the spices used in burials.**
4. Place the marshmallow in the center of the crescent triangle. Fold and pinch the edges tight. Put each crescent-wrapped marshmallow on a slightly greased cookie sheet.
5. Bake the rolls as directed on the package. **The oven represents the tomb.**

When cooked, the marshmallow melts leaving only the puffed crescent roll. **This demonstrates how Jesus rose from the dead. All that remained in the tomb were the linen wrappings.**

These are surprisingly tasty. ENJOY!!! Jesus loves you!

Plans are already underway for this summer's **Vacation Bible School**, which will have an amusement park theme. As always, the program will feature **great music, skits, games, Bible lessons, memory verses, cookies, crafts, and contests**. There's nothing quite as exciting as VBS at The Chapel in Marlboro. Mark your calendars for **June 28 - July 2** and plan to attend every evening from 6:15-8:45 P.M. Watch for early registration announcements in the church bulletin.
